

## **Roxette - Sleeping In My Car**

```
Tom: A
                                                                        Repeat figure 1
                                                                        Here is the chorus rhythm:
    (Words & music by Per Gessle)
                                                                       Gb
     start with figure 1:
                                                                    So come out tonight
                                                                    I'll take you for a ride
                                                                    This steamy ol' wagon
     then:
                                                                    The radio is getting wild
     The chords for the verse are barred at these frets:
                                                                    Baby babe we're moving so fast
     Gb - 2, E - 0, B - 2, D - 5
                                                                                   В
                                                                                       D
                                                                    I try to hang on
 I'll tell you what I've done
                                                                    Try to hang on!
 I'll tell you what I'll do
                                                                    Sleeping in my car - I will undress you Sleeping in my car - I will caress you
 Been driving all night just to get close to you
                                                                    Staying in the back seat of my car making love, oh yea!
 Baby babe - I'm moving so fast
                    В
                                                                    Sleeping in my car - I will posess you
 You'd better come on
                                                                    Sleeping in my car - certainly bless you
                                                                    Laying in the back seat of my car making up
                                                                        No guitar over this bit:
 The moon is alright
                                                                    The night is so pretty and so young
 The freeway's heading South
                                                                    The night is so pretty and so young
                                                                    So very young...
 My Heart is going Boom!
                                                                        then:
 There's a strange taste in my mouth
 Baby babe - I'm moving real fast
                В
 So try to hold on
                                                                        The rest is just choruses:
 Try to hold on!
                                                                    Sleeping in my car - I will undress you
                                                                    Sleeping in my car - I will caress you
     The chords for the chorus are barred at these frets:
                                                                    Staying in the back seat of my car making love to you
                                                                    Sleeping in my car - I will posess you
Sleeping in my car - certainly bless you
     Gb - 9, Db - 9, Eb - 6, B - 7
                                                                    Laying in the back seat of my car making up
                Gb
 Sleeping in my car - I will undress you
                Eb
                                                                    I will undress you
 Sleeping in my car - I will caress you
                                                                    I will undress you
                 Gb
                                 Dh
 Staying in the back seat of my car making up
                                                                    The night is so pretty and so young...
