What's the time? Seems it's already morning
                                                                             ΕE

                                                             I'm spending my time watching the sun go down
I see the sky, it's so beautiful and blue

                                                             I fall asleep to the sound of "Tears of a Clown", a prayer
The tv's on, but the only thing showing is a picture of you
                                                              gone blind

Oh I get up and make myself some coffee

I try to read a bit but the story's to thin
