You keep on walkin' on the other side

Other side, other side

You keep on walkin' on the other side

Other side, other side

Wherever you go, I'm going with you

Shouldn't you know I'm bound to follow

Whatever you say, whatever you do

I give you a clue, I'm gonna follow (G)

And the stars will show

Where the waters flow

Where the gardens grow

That's where I'll meet you

Solo: B D A E (2x)

Why don't you let me, let me come along

Na na na, na na na

Why don't you open, make me come along

Na na na, na na na

Wherever you go, I'm going for you

Oh, I was truly born to follow

Like fire and wood and paper and glue

Only a few were born to follow (G)

And the stars will show

Where the waters flow

Where the gardens grow

That's where I'll meet you

And the sun will glow

Melting all the snow

Knowing all I know

That's where I'll meet you
