

Roxette - Summers Rain

Tom: **D**

Riff 1

Standing alone, in a dream where nothing is real
oh how...

there were times I lost my way I was alone lost... where
are you now.

I'll find you some how

And do I stand alone like a fool out in the rain

Hangin' on somehow to an ancient vow where there's nothing
left to gain

And do you know How it feels inside

To be all alone **A** fool and his pride

Verse 2 repeat riff 1

Overlay power chords

B **A** **D** **B**

F#

Scars are the wounds that we show, time only heals when we're
letting go

I'll find you some how

And do I stand alone like a fool out in the rain

Hangin' on somehow to an ancient vow where there's nothing
left to gain

And do you know How it feels inside

To be all alone **A** fool and his pride

a summer's rain

a summer's rain

a summer's rain

a summer's rain

a summer's rain
