

Roxette - The Sweet Hello, The Sad Goodbye

Tom: D

Red like fire was the day I met you, I tell you now, there
are no regrets. In this room there are many memories,
some are good, some I try to forget. I thought we were the
chosen ones, who were supposed to fly / We're very much
the same, you and I - the sweet hello, the sad goodbye.
Still waiting to get hurt, time after time - the sweet hello,
the sad goodbye. When love lies in our hands we seem to
run and hide, and I can't help but wonder why - the sweet
hello, the sad goodbye / My heart was like a runaway
train, babe I don't believe I've ever felt more alive. In this
room I hear voices linger, we never talked about the pride.
You know you're not the only one, who knows how to cry

We're very much the same, you and I - the sweet hello,
the sad goodbye. Still waiting to get hurt, time after time -

the sweet hello, the sad goodbye. When love lies in our
hands we run away and hide, and I can't help but wonder
why - the sweet hello, the sad goodbye.
