

Roxette - Vulnerable With Break

Tom: E

(com acordes na forma de C)
Capo 4th Fret Intro: D G A ?

[Verse 1]

Everywhere I look I see her smile

Her absent-minded eyes

And she has kept me wondering for so long

How this thing could go wrong

It seems to me that we are both the same

Playing the same game

But as darkness falls this true love falls apart

Into a riddle of her heart

[Chorus]

She's so vulnerable, like china in my hands

She's so vulnerable and I don't understand

I could never hurt the one I love

She's all I've got

But she's so vulnerable

Oh so vulnerable

[Verse 2]

Days like these no one should be alone

No heart should hide away
Her touch is gently conquering my mind
There's nothing words can say

She's coloured all the secrets of my soul
I've whispered all my dreams
But just as nighttime falls this vision falls apart
Into a riddle of her heart

[Chorus]

She's so vulnerable, like china in my hands

She's so vulnerable and I don't understand

I could never hurt the one I love

She's all I've got

But she's so vulnerable

Oh so vulnerable

BREAK: Bm E A D (2x)

Then: Bm E A B

into octave raised chorus:

[Chorus]

She's so vulnerable, like china in my hands

She's so vulnerable and I don't understand

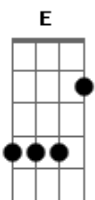

I could never hurt the one I love

She's all I've got

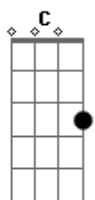

But she's so vulnerable

Oh so vulnerable
