Roxette - Way out
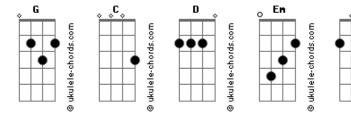

Tom: G

   G
I used to work it out with my head in a cloud
                           C
A record machine playin' out loud
                   G
I guess my fate had to turn
         D   C
Followed a star to a candle that burned

 G
Bag full of crackers an' chocolate bars
                        C
Breakin' my back, sleepin' in cars
                  G
Ha! I always woke up in doubt
       D   C
Well, now I know what the fuss is about

 Em   C
Way out, out of the blue
  G
I met a young girl
 D
It could've been you
 Em   C
Hey, what was I supposed to do
   G   D
I didn't want to fall in love

 G
Try to keep sane an' savin' the light
                              C
Two things to do when you can't fight the night
               G

I always lay down in doubt
       D   C
Well, now I know what the fuss is about

 Em   C
Way out, out of the blue
  G
I met a young girl
 D
It could've been you
 Em   C
Hey, what was I supposed to do
 G   D
I didn't want to fall in love

 Am   C   Em   D
Sometimes you don't decide for yourself

Sometimes you don't decide for yourself

Sometimes you can't decide for yourself
