

Roy Orbison - Blues In My Mind

Tom: **Ab**

Db **Abm** **Db**
 I ought to hate you for these blues in my mind
Db **Abm** **Db**
 What makes me love you, am I losing my mind?
Ab **Db**
 I wonder where I'm gonna wind up
Eb **Ab**
 I just can't make my crazy mind up

Db **Abm** **Db**
 Too many kisses brought me too many tears
Db **Abm** **Db**
 Tears that I'll carry with me all through the years

Ab **Db**
 I'm just the broken hearted kind
Ab **Db**
 Worrying blues in my mind

I'm going crazy with these blues in my mind
 How can you just keep on confusing my mind?
 You've got a jealous air about you
 Maybe I'm better off without you

Still I can't make my heart believe that it's true
 Trouble with me is having trouble with you
 I'm just the broken hearted kind
 Worrying blues in my mind
 Worrying blues in my mind
