

Roy Orbison - Born On The Wind

Tom: F

F Dm F Dm
Born on the wind, Born on the wind
Ab C
Between the sunset and the dawn
F G F G
So tenderly your memory
F G E7
Lingers with me all night long

Born on the wind, Born on the wind
Ab C
You are filling me with grief
F G F G
A love to live, a love to give

F G E7
And you will live in my dreams

E F G F E
You don't love me, but you love for me to be in love with you.
E F G F E
You let me on, lured me on, but when I fell you were gone

Born on the wind, Born on the wind
Now a song in my heart
A soft refrain you will remain
To live in my heart again

Born on the wind, Born on the wind
Bb C F
Born on the wind
