

Roy Orbison - I Drove All Night

Tom: **F**

| **C** | **Bb** | **F** |

C
I had to escape

Bb
The city was sticky and cruel

C
Maybe I should have called you first

Bb **Dm**
But I was dying to get to you

F
I was dreaming while I drove

Bb **C**
The long straight road ahead

Uh-huh, yeah

Bb
Could taste your sweet kisses, your arms open wide

C **Bb** **F**
This fever for you was just burning me up inside

Chorus:

Am **Bb** **F**
I drove all night to get to you

Dm **C**
Is that all right?

Am **Bb** **F**
I drove all night, crept in your room

Dm **C** **Bb**
Woke you from your sleep to make love to you

Bb
Is that all right?

F
I drove all night

(Verse :)

What in this world keeps us from falling apart?
No matter where I go
I hear the beating of our one heart
I think about you when the night is cold and dark
Uh-huh, yeah
No one can move me the way that you do
Nothing erases this feeling between me and you

(Chorus)

Could taste your sweet kisses, your arms open wide
This fever for you was just burning me up inside

(Chorus)
