

Roy Orbison - (I Get So) Sentimental

Tom: **F**

(I Get So) Sentimental

I get so ooh sentimental
 Darling when it comes to you,
 I'm just too ooh sentimental
 And its breaking my heart in two.

Chorus:

I said a-hey, hey now
 at the end of the day now,

I get carried away now

thinking of you, ooooh

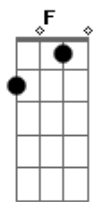

How you looked that night, you kissed goodbye just right,
 then turned away and I miss you night and day.

Chorus

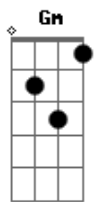

Who holds you tight? I wonder where you are,
 Are you alright, for you know, i still love you,

But I'm just so sentimental,
 Baby because of you,
 Yes I'm just too sentimental
 and it's breaking my heart in two...
