

# Roy Orbison - In Dreams

Tom: C

A candy <sup>C</sup> colored clown they call the sandman <sup>Am</sup>  
<sup>Dm</sup> Tiptoes to my room everynight <sup>G</sup>  
<sup>C</sup> Just to sprinkle stardust and to whisper <sup>Am</sup>  
<sup>F</sup> Go to sleep, everything is all right <sup>G7</sup> <sup>C</sup>

<sup>C</sup> I close my eyes  
<sup>Dm</sup> Then I drift away  
<sup>G7</sup> Into the magic night  
<sup>C</sup> I softly say

A silent prayer <sup>C</sup>  
<sup>Dm</sup> Like dreamers do  
<sup>G7</sup> Then I fall asleep to dream  
<sup>C</sup> My dreams of you

<sup>C</sup> In dreams I walk <sup>G7</sup> with you  
<sup>F</sup> In dreams I talk <sup>G7</sup> to you <sup>C</sup>  
<sup>(C)</sup> In dreams you're mine  
<sup>D7</sup> All of the time, we're  
<sup>C</sup> <sup>Dm</sup> <sup>G</sup> <sup>C</sup> <sup>Dm</sup> <sup>G7</sup>  
 Together in dreams, in dreams

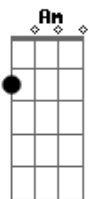

<sup>C</sup> <sup>Fm</sup> <sup>C</sup> But just before the dawn  
<sup>C</sup> <sup>Fm</sup> <sup>C</sup> I awake and find you're gone  
<sup>C</sup> I can't help it <sup>Dm</sup> I can't help it if I cry  
<sup>G7</sup> <sup>C</sup> I remember that you said goodbye

<sup>C</sup> <sup>F</sup> <sup>G7</sup> It's too bad that all these things  
<sup>C</sup> <sup>F</sup> <sup>G7</sup> Can only happen in my dreams  
<sup>C</sup> <sup>D7</sup> Only in dreams  
<sup>Dm</sup> <sup>G7</sup> <sup>C</sup> In beautiful dreams
