

Roy Orbison - The Clown

Tom: C

I was a clown when I thought I had found

A love for me and only me but she laughed at the clown

turned him down turned him down

I never frown ah, ah, ah, I'm the clown

for it breaks my heart I play the part of a clown runnin round

trouble bound I'm the clown

I wander all around, wondering if you ever cared

I go from place to place, I look from face to face

hoping that you will be there

All over town the word is out, it's all around

that I love her still guess I always will I'm the clown

runnin round trouble bound I'm the clown
