

Roy - Wounds Won?t Heal

tom:
 I?ve felt that I don?t deserve to know
 Anyone I?d just be a burden cause
 I wouldn?t hang out with myself
 I?d left in a corner like the kids
 Did withe me when I was a kid
 I want to know
 Why these wounds won?t heal
 Cause I can see the blood running

And I can see the guts squirming in my hands

Thw melancholy of a child follows me
 Everytime I get up and I can?t bring myself
 To scream, just hold on, you?re all I want
 All I want

Thw melancholy of a child follows me
 Everytime I get up and I can?t bring myself
 To scream, just hold on, you?re all I want
 All I want
