

Royal Bliss - Devils And Angels

Tom: E

m
D
There's a devil in my head an angel in my bed it's getting colder
Em
I'm trying to warm it up with the only way I know
Em
There's something hid inside, I think that I should tell her
Em
Cause it's about that time I let her know
G C D
She says come with me i'll show you my way
G C Bm
To a place where all the devils go
Em
Days and days go by, I tell myself that I'm getting older
Em
I need to slow down, but the way, I don't know
Em
With the devil inside, telling me in order
Em
To ever feel alive, i've got to let her go
G C D
And she says come with me i'll show you my way
G C Bm
To a place where all the devils go
G C D
No more pain, no more lies, and no more worries

G C Bm
It's a place where all the devils go
G D

G D
Cause I don't know, which way to turn
G D
And I feel, like I'm getting weaker
G D
Cause I can't ever take control
(G D)
