

Royal Republic - Tommy Gun

Tom: B

I guilty stand before you
I know I misbehaved
I never meant to hurt you

I humbly beg forgiveness
Hope that my soul be saved
And if I had a final wish pretty Miss I would only ask this:

I want you to do me with a tommy-gun baby
With a tommy-gun baby do me, GUN-TOMMY
If you have to kill me use a tommy-gun baby
Use a tommy-gun baby do me, GUN-TOMMY

There ain't no use appealing
Your justice will prevail
This time I must be punished

No lawyer no attourney
No chance of breaking bail
So won't you grant this final wish pretty Miss?
Won't you save a last kiss?

I want you to do me with a tommy-gun baby
With a tommy-gun baby do me, GUN-TOMMY

If you have to kill me use a tommy-gun baby
Use a tommy-gun baby do me, GUN-TOMMY
I want you to do me with a tommy-gun baby
If you have to kill me use a tommy-gun baby
Gun-tommy
Aaaah shoot me

(Solo)

I guilty stand before you
I know I misbehaved
I never meant to hurt you

I humbly beg forgiveness
Hope that my soul be saved
And if I had a final wish
I would only ask this

I want you to do me with a tommy-gun baby
With a tommy-gun baby do me, GUN-TOMMY
If you have to kill me use a tommy-gun baby
Use a tommy-gun baby do me, GUN-TOMMY
I want you to do me with a tommy-gun baby
If you have to kill me use a tommy-gun baby
GUN-TOMMY!
