

Royel Otis - Motels

```
I?ll kick it out the window cause your
                tom:
                Ah
Intro: Ab
                                                                  Mum is in the front room You don?t
I?ll let you sleep but you know it that
                                                                             Ab
                                                                 Want her to see
 I gotta go
                                                                 That don?t bother me
                                                                            Fm
Gotta make some change
              Db
                                                                 Don?t she know that you?re a freak?
Imma fill the sea this storm inside of
                                                                 [Pré-Refrão]
Me
                                                                     Db
Ah
                                                                 I?m going
I?ll kick it out the window cause your
