

Royal Otis - Motels

tom:
Intro: **Ab**
I'll let you sleep but you know it that
I gotta go
Gotta make some change
Imma fill the sea this storm inside of
Me
I'll kick it out the window cause your
Mum is in the front room You don't want
Her to see
That don't bother me
Don't she know that you're a freak?
[Pré-Refrão]
I'm going
Make it my own show and
Preach it from the bar right down the
Street
Lord help me to my feet
[Refrão]
Time could change but I'll give you my
Number I could stay forever as your Motel boy
Keep the change cause I've been getting
Lesser I could stay forever as your
Hotel boy
Get some good chains and the dresses
You wear At the old place I can wait
On you there
Time could change but I'll give you my
Number
[Segunda Parte]
I know that you wanted me to stay
But you know it's not ok
God at times you don't even look older
You're on my jeans can you please roll
Over
