

Ruan Yagami - A Volta da Cabeleira do Zezé

tom: E

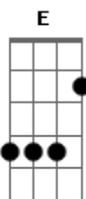

Zezé voltou do states
 Com aplique Hi-Fi
 Revival da cabeleira famosa
 Nos tempos de Geisel

Será que ele ficou em Frisco?
 Será que ele ouviu Glam-Rock?
 Será que ele quer Andy Warhol?
 Ou queria estar em Woodstock?

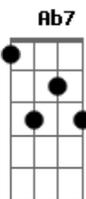

Disseram que ele foi Hippie
 Negou-se a ser proto-Punk
 Tornou-se New Wave convicto
 Voltou america-ianque

O que ele faz com a cabelo
 Na noite quente das estrelas
 Seja o que for, chega de balela
 A vida é dele então deixa ele vivê-la
 Deixa ele vivê-la
 Corta o cabelo dele não!
