

Ruan Yagami - Blues do Vagabundo

tom: G

Sei já é tarde, hora de apagar a luz
 Mas meu coração, vê o mundo em chamas
 Pouco siso corro solto
 Essa noite sei que faço tudo blue

Então minha alma grita
 Não posso temer meus escuros
 Nem o meu futuro
 Se me esqueço, esqueço de você
 Abro a porta, pulo pro mundo outra vez

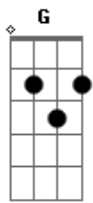

Am7 D7 Bm7 E7

Sou um cão, vagabundo
 Sob estrelas, sob um punhado de jornal

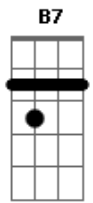

E no meu tá escrito:
 "Gente é pra brilhar e que tudo mais
 Vá pro inferno, esse é meu slogan
 E o do sol"

Sei não me iludir, tão necessário
 Pra sonhar, quebro os laços passados
 Corro risco, brilho fundo, sei lá
 Só quero amar
 Sou um cachorro vagabundo
 Vagabundo, vagabundo
