Gb (forma dos acordes no tom de G)
Afinação: Eb Ab Db Gb Bb Eb

Toxic waves on my throat
A shiver down my spine
A spray of dejavu that made me lose my appetite
Honestly, no fucks given
Honestly, no fucks given
Call me when the day is old, your riot entertains me
Abuse me when you're nothing turning your loose ends against me
Honestly, no fucks given
Honestly, no fucks given
Girl, I loved you to the bone
Alone I thought that it was harmless
Floating thru darkness at home
I paid the light bill just to see your face
So nevermind ind ind ind
Honestly, no fucks given
Honestly, no fucks given
So nevermind ind ind ind
Honestly, no fucks given
Honestly, no fucks given
You left when it was dark

I ain't sure what you were seeing
You really thought that I was gonna cry to see you leaving?
Honestly, no fucks given
Honestly, no fucks given
Call me when the day is old, your riot entertains me
Abuse me when you're nothing turning your loose ends against me
Honestly, no fucks given
Honestly, no fucks given
So nevermind, dirty girl
You're double-hearted like the heart you owe
40 days alone
On the poison throne
I've been numb from your bitter sugar rush
So nevermind ind ind ind
So nevermind ind ind ind
So nevermind ind ind ind
Honestly no fucks given
Honestly no fucks given
So nevermind ind ind in
Honestly no fucks given
Honestly no fucks given
