

Ruel - Painkiller

tom:

Am

C E

You're my painkiller

Am Am F

When my brain gets bitter

Dm

You keep me close

Fm

You keep me close

C

I got front row seats

For the park side living

E

Feel like the one

But I'm one in a billion

Am Am

Teenage cynical

F Fm

But I donât really know

C

Oh, what's the point of living

If my heart gets broken

E

Drivin' 'long the road waiting for head on collision

Am Am

Springtime funeral

F Fm

I miss you but I'd rather be alone

To keep me from

C

Heartbreaks, headaches

E

The doctor says I'm diagnosed

with shit days, mistakes

Am Am

But I'll be fine

F Fm

But I'll be fine

C E

Cause you're my painkiller

Am Am F

When my brain gets bitter

You keep me close

Fm

When Iâm miserable

C E

And it takes forever

Am Am F

To let my brain get better

You keep me close

Fm

You keep me close

You keep me close

C

Window seats

As the plane starts leaving

E

Miss those streets where my knees were bleeding

Am Am

Homesick veteran

F Fm

Lefts my bed again

Now Iâm looking for

C

Heartbreaks, headaches

E

The doctor says Iâm diagnosed

with shit days, mistakes

Am Am

But I'll be fine

F Fm

But I'll be fine

C E

Cause you're my painkiller

Am Am F

When my brain gets bitter

You keep me close

Fm

When Iâm miserable

C E

And it takes forever

Am Am F

To let my brain get better

You keep me close

Fm

You keep me close

C C E

Oh ohoh ohoh

Am Am F

Oh ohoh ohoh

Fm

Oh ohoh ohoh ohhh

C E

Cause you're my painkiller

Am Am F

When my brain gets bitter

You keep me close

Fm

When Iâm miserable

C E

And it takes forever

Am Am F

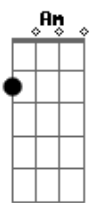

To let my brain get better

You keep me close

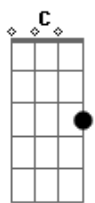

Fm

You keep me close
