

Ruel - Younger

Tom: **D**

You and I used to walk the streets at night **Em**
 Our parents didn't know **Bm**
 Kept the TV going **G**
 Left on all the bedroom lights **D**
 And no I haven't seen you since **Em**
 We lost all our innocence **Bm**
 You left me in the dark
 While you drink in the park **G**
 Never be the same again

D
 You and me were so, so close
Em
 Maybe that's what hurts the most **Bm**
 It's out of my hands
 I've done what I can
G
 So I just save my breath

D **A** **D**
 Deep in my heart I
A **G**
 Know that it's over
A **Em**
 Deleted your number
Gbm **Em**
 So I can't call you
D **A** **D**
 Call you my brother
Gbm **Em**
 The why we used to
A **G** **Gbm** **D** **Gbm**
 When we were younger, younger

D
 I saw you just the other night
Em
 I didn't even recognize you
Gbm
 Find it kind of strange
D
 Guess that people change
Gbm
 But I didn't expect you to

D
 You and me were so, so close
Em
 Maybe that's what hurts the most

Bm
 It's out of my hands
 I've done what I can
G
 So I just save my breath

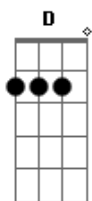

D **A** **D**
 Deep in my heart I
A **G**
 Know that it's over
A **Em**
 Deleted your number
Gbm **Em**
 So I can't call you
D **A** **D**
 Call you my brother
Gbm **Em**
 The why we used to
A **G** **Gbm** **D** **Gbm**

D
 Tryna get in touch with you
Bm **D**
 I don't know where you've been
Em
 Have a conversation
A **D**
 But you'll never let me in
Em **D**
 I've tried, I've tried **Bm** **A** **Bm** **Em**
 I've tried with you a thousand times
D **Gbm** **D**
 Maybe I don't have to play the bad guy in the end
Bm **A** **D**
 'Cause I've been trying hard enough to be a better friend
G **Gbm**
 I've tried, I've tried
Em **G** **A** **Bm** **Em**
 But we're out of time
