

Ruelle - Carry You

Tom: C

I know it hurts
It's hard to breathe sometimes
These nights are long
You've lost the will to fight
Is anybody out there?
Can you lead me to the light
Is anybody out there?
Tell me it'll all alright
[Refrão]
You are not alone
I've been here the whole time singing you a song
I will carry you I will carry you
I know you can't remember how to shine
Your heart's a bird without the wings to fly
Is anybody out there?

Can you take this weight of mine?
Is anybody out there?
Can you lead me to the light?
[Refrão]
You are not alone
I've been here the whole time singing you a song
I will carry you I will carry you

I will carry you (is anybody out there?)
I know it hurts
