Intro: Gb Bbm Ab Fm

Gb
I tried to hide but something broke

I tried to sing, couldn't hit the notes
Ab
The words kept catching in my throat

I tried to smile, I was suffocating though

Gb
But here with you, I can finally breathe
Bbm
You say you're no good, but you're good for me
Ab
I've been hoping to change, now I know we can change
Fm
But I won't if you're not by my side

Gb
Why does it feel right every time I let you in?
Bbm
Why does it feel like I can tell you anything?
Ab
All the secrets that keep me in chains and
Ab
All the damage that might make me dangerous

Gb
You got a dark side, guess you're not the only one
Bbm
What if we both tried fighting what we're running from?
Ab
We can't fix it if we never face it
Ab
What if we find a way to escape it?

Gb
We could be free, free
Bbm Ab
Free, free
Gb
We can't fix it if we never face it
Bbm Ab
Let the past be the past 'til it's weightless

Gb
Oh, time goes by and I lose perspective
Bbm
Yeah, hope only hurts, so I just forget it
Ab
But you're breaking through all the dark in me
Fm
When I thought that nobody could

Gb
And you're waking up all these parts of me
Bbm
That I thought were buried for good
Ab
Between imposter and this monster
Fm
I've been lost inside my head

Gb
Ain't no choice when all these voices
Bbm
Keep me pointing towards no end
Ab
It's just easy when I'm with you
Fm
No one sees me the way you do

Gb
I don't trust it, but I want to
Bbm
I keep coming back to
