

Rush - Bravado

Tom: **G**

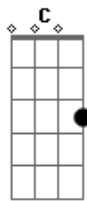

If we burn our wings **C**
 Flying too close to the sun **D**
 If the moment of glory **Am**
 Is over before its begun **D**
 If the dream is won -- **C**
 Though everything is lost **Am**
 We will pay the price, **G**
 But we will not count the cost **Em**
 When the dust has cleared **C**
 And victory denied **D**
 A summit too lofty **Am**
D

River a little too wide
 If we keep our pride -- **C**
 Though paradise is lost **Am**
 We will pay the price, **G**
 But we will not count the cost **Em**
 And if the music stops **C**
 Theres only the sound of the rain **D**
 All the hope and glory **Am**
 All the sacrifice in vain **D**
 [and] if love remains **C**
 Though everything is lost **Am**
 We will pay the price, **G**
 But we will not count the Ccost **C**
