Intro: Em Bm Em Bm

Em Bm
Like a million little doorways
Em Bm
All the choices we made
Em Bm
All the stages we passed through
Em Bm
All the roles we played

Em Bm
For so many different directions
Em Bm
Our separate paths might have turned
Em Bm
With every door that we opened
Em Bm
Every bridge that we burned

E D Bm
Somehow we find each other
E D Bm
Through all that masquerade
E D Bm
Somehow we found each other
E D
Somehow we have stayed
Bm D7M E Gb
In a state of grace

D E
I don't believe in destiny
Gb
Or the guiding hand of fate
D E
I don't believe in forever
Gb
Or love as a mystical state
D E
I don't believe in the stars or the planets
Gb
Or angels watching from above
D E
But I believe there's a ghost of a chance
Gb
We can find someone to love
D7M E Gb
And make it last
D7M E Gb
And make it last
(Em Bm)
