

# Russ - Some Time

Tom: G

Intro: C Am C Am C Am F G

C Am C  
Please don't call my phone I need some time

C Am C  
Just to sit and think about my life

C Am C  
It's been every day nonstop every night

F G C  
I just need some time, oooh

C Am C  
Please don't call my phone I need some time

C Am C  
Just to sit and think about my life

C Am C  
It's been every day nonstop every night

F G  
I just need some time, oooh

C Am C  
Please don't call my phone I don't got time to talk today

C Am C  
Facetimin' without appointments musta lost your way

C Am C  
Haven't even had the time to count the dollars made

C F G C  
I work on vacation, I don't take no holidays

C Am C  
I don't know what sleep is, I've been up since chain hang low

C Am C  
Body rollin' all night, that's a place that they can go

C Am C  
Still ain't had a day off, life been chaos, melee mode

C F G C  
I just need some time, sometimes I wish that they made clones

C Am C  
Please don't call my phone I need some time

C Am C  
Just to sit and think about my life

C Am C  
It's been every day nonstop every night

F G C  
I just need some time, oooh

C Am C  
Please don't call my phone I need some time

C Am C  
Just to sit and think about my life

C Am C  
It's been every day nonstop every night

F G  
I just need some time, oooh

C Am C  
Saw you turn your backs

C Am C  
Just to go and get a bag

C Am C  
I'm the best you ever had

C Am C  
Now there ain't no coming back

C Am C  
This ain't gonna work, I'm too focused on my work

F G  
I just need some time, oooh

C Am C  
I ain't got time to talk small town shit

C  
Diemon.com got all my hits

C Am C  
Lookin' at the world like it's on my shit

C Am C  
I ain't got time to talk all my shit

C Am C  
But I'm gonna try 'til the casket closes

C F G  
Until they give me my roses

C Am C  
I just need some time, oooh

C Am C  
Please don't call my phone I need some time

C Am C  
Just to sit and think about my life

C Am C  
It's been every day nonstop every night

F G C  
I just need some time, oooh

C Am C  
Please don't call my phone I need some time

C Am C  
Just to sit and think about my life

C Am C  
It's been every day nonstop every night

F G  
I just need some time

[Final] C Am C Am C Am F G C

## Acordes
