```
Tom: G
           [Primeira Parte]
I can't believe its been all these years
I can't believe I've cried all these tears
My friends tell me I should've moved on
A long long time ago
But what do they know?
    Am F
What do they know?
[Refrão]
And I don't mean to be selfish
But my heart breaks every time

That I see you smile
'Cause I know that it's not me
Am F C Em Am F
Who brings it out of you anymore

But if by chance it doesn't work out with her
You'll always have a chance with me in my world
[Segunda Parte]
I wonder what happens when you hear our song

Do you brush it away or do you sing along?
                    Em Am

Is there room for me in it?
