

Ruth B. - If This Is Love

```
Tom: D
It's been a long day and I'm trying to figure it out
The way those words left your mouth
I feel broken, shattered_and blue
{\sf G} {\sf Em} And it's all because of you
        Cm G
And I'm trying, trying to figure it out
            G Em G
If this is love
Why does it break me down?
Why do you break me down?

G Em G

If this is love
Why does it break me down?
Why do you break me down?
                                 Rm
It's been a long time since I've felt the way that I do now A Bm D
Like I need you but I don't know how
It's been a while since I smiled

```
Why does it break me down?
Why do you break me down?
