

Ruth Moody - Cold Outside

Tom: **G**

A
Baby, it's cold outside

Come in and stay awhile

D
You know you want to

A
You know you want to

A
Baby, it's cold outside

The streets are dark and the winds are wild

D
And I want you

A
I want you

E D A
Mmm, come inside

E D A
Mmm, come inside

A
Baby, what do you say?

I can't think of a better way

D
To spend the night

A
Let's do it right

A
Your smile is bright as the moon tonight

I can see you in my mind's eye

D
And I want you

A

I want you

E D A
Mmm, come inside

E D A
Mmm, stay awhile

A
Baby, won't you come with me

It's bad out there like a stormy sea

D
I wanna keep you safe

A
I wanna keep you safe

A
I know you're scared and so am I

But you tell me yours and I'll tell you mine

D
Cause I think it's time

A E
Yeah, I think it's time

D A E
I think I know how to love you

D A E
I think I know how to love you

D A E
I think you know that I want to

D A E
I think you know that I want to

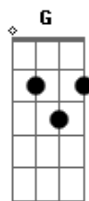

D A E
So come inside

D A E
And stay awhile

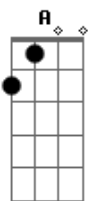

D A E
Come inside

D A
Stay awhile
