

Rvivr - Goodbyes

tom: Eb

[Primeira Parte]

We're gonna miss
It when it's gone
If it's the sun
We'll leave a light on
[Refrão]

If it's the dark
Just close our eyes
We don't wanna get
Good at goodbyes

[Segunda Parte]

It's enough to keep us home
Cuz with the radio on it's
Like we're never alone
[Refrão]

How to keep all our
Insides inside?
Cause we don't wanna
Get good at goodbyes

No no no

[Terceira Parte]

Since we're all adults
Here we can choose
What we stand to gain
Against the weight
Of what is due

[Refrão]

Scattering our hearts
Across the sky
We don't want to get
Good at goodbyes
We don't want to get
Good at goodbyes
But that's the fucking
Trade I guess
Fuck! I don't know!
We can't always
Get what we want
