

RY X - Salt

We let love be a call in the night tom: Fm Intro: C Em We let love be the fire divine Under the lightning We let love be like water to wine Em Fm Heavier breath We let love be the higher design Bm Em G C High by a mouth made We let love be a call in the night Em Em Knees to your chest We let love be the fire divine We let love be like water to wine I won?t let go of it all Em Am Em I know I started to run We let love be the higher design We let love be a call in the night I know I started it all Em We let love be the fire divine I won?t let go of the gun I won?t let go of it all Under the shadow I know I started to run Em Heavy remains I know I started it all Chemical ashes fall I won?t let go of the gun Lips to my veins Oh god below
Am Em D We let love be like water to wine Em What have we done We let love be the higher design Oh god below G Em D We let love be a call in the night Em What have we done We let love be the fire divine Oh god below Am Em D But here we are turning our heads down What have we done Here we are falling like lovers Oh god below Em D Am G Em D We?re falling like lovers and I turn my head ?cause I know What have we done Shame you?ve done Oh god below
Am Em D (Em D C Em D) What have we done Oh god below

Am Em D We let love be like water to wine Em What have we done We let love be the higher design
