                           G7M
                                                 G7
                                                                                             climb every mountain higher
                                                               Reach for the stars
When the world, leaves you feeling blue
                                           you can count on
                                                                                             follow your heart?s desire
me, I will be there for you
                                                               Reach for the stars
                                                      Δm7
                                                                             n
                                                               Reach for the stars
                                                                                             and when that rainbow's shining
When it seems, all your hopes and dreams
                                           are a million miles over you
away, I will re-assure you
                                                                    That's when your dreams will all come true
      We've got to all stick together
                                              good friends,
there for each other
                                                               [Ponte]
      Never ever forget that I've got you and you've got me,
                                                                                                G
                                                                       Don't believe in all that you've been told

                                                                       The sky's the limit you can reach your goal
             D
                                         C
                                                                    No-one knows just what the future holds
Reach for the stars
                             climb every mountain higher
             D
                                                               There ain't nothing you can't be
                                                                                                     there's a whole world at
                                                               your feet
                             follow your heart?s desire
Reach for the stars
             D
                                                             C I said reach! Climb every mountain
Reach for the stars
                             and when that rainbow's shining
over you
                                                               (Reach!)
                                                                             Reach for the moon
                                                               (Reach!)
                                                                                                        and your dreams will
    That's when your dreams will all come true
                                                                             Follow that rainbow...
                                                               all come true!

There's a place waiting just for you it?s a special place
                                                               Reach for the stars
                                                                                             climb every mountain higher
where your dreams all come true
                                                                                             follow your heart?s desire

                                                               Reach for the stars
           D
D
                                                                             D
Fly away, swim the ocean blue,
                                 drive that open road,
                                                               Reach for the stars
                                                                                             and when that rainbow's shining
leave the past behind you
                                                               over you
     Don't stop gotta keep moving
                                       Your hopes have gotta
                                                                   That's when your dreams will all come true
keep building
