

Sabrina Carpenter - All We Have Is Love

Tom: **G**
Intro: **D** **Em** **C**

D **Em**
They could tear this house down brick by brick
C
But we won't even miss a thing
D **Em**
They said we'd never make it but our hearts won't quit
C
A never ending fantasy

D **Em**
We could be royalty, king and queen of nowhere
C
Lose it all, everything
D **Em**
As long as we got you and I, you and me
C
They can tear this whole house down

C **G**
All we have is love
B7 **Em**
All we have is love
C **G** **B7** **Em**
All we have is love, love
C **G**
When shadows and demons are chasing
B7 **Em**
There's no way that our hearts will be breaking
C **G** **B7** **Em**
'cause all have is love, love

D **Em**
We don't need a dream to be wide awake
C
When every day is ecstasy
D **Em**
We won't let the stars cross, change our fate
C
It's heaven when you're next to me

D **Em**
We could be royalty, king and queen of nowhere

C
Lose it all, everything
D **Em**
As long as we got you and I, you and me
C
They can tear this whole house down

C **G**
All we have is love
B7 **Em**
All we have is love
C **G** **B7** **Em**
All we have is love, love
C **G**
When shadows and demons are chasing
B7 **Em**
There's no way that our hearts will be breaking
C **G** **B7** **Em**
'cause all have is love, love
