

Sabrina Carpenter - Bad Reviews

tom:
 B (forma dos acordes no tom de G)
 Capotraste na 4ª casa
 Intro: G B7 Em A C
 D G C G C

I've heard all the bad news and the bad reviews
 Couple bad gut feelings, well, I've had them too
 So, still, I choose to be in love with you
 Been alone for so long, I've got somethin' to prove
 If I close an eye, it's almost like your red flags are blue
 So, still, I choose to be in love with you

Short fuse and long baths, like you're fresh out of rehab

And I'm fresh out of any good judgment
 I'm intentionally careless, least I got self-awareness
 Just want someone to love me who doesn't

(G B7 Em A)
 (C D G)

I've heard all the bad news and the bad reviews
 All the friends tryna save me, well, I, I cut them loose
 'Cause I refuse to be wrong again
 I can't lose another boy that's not even my boyfriend
 Still, I choose to be in love with you
 Ooh, still, I choose to be in love with you
