

## Sabrina Carpenter - Can't blame a girl for trying

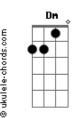

```
Tom: C
  C
Here I am again, the same old situation \ensuremath{\mathsf{I}}
Why does the guy think have to be so complicated?
                       Dm
I should've played it cool, instead I've made a fool {\sf F}
Oh, the things I do
'Cause I'm young and I'm dumb
I do stupid things when it comes to love
And even if I always end up crying C
Well, you_can't blame a girl for trying
                                            ohh ohh
                                                       ohh ohh
No, you can't blame a girl for trying
I should've shut my mouth, I could've kept it quiet
I might have freaked him out 'cause I was so excited
C Dm
But I just couldn't wait, I took a leap of faith
Oh, the things I say
'Cause I'm young and I'm dumb
I do stupid things when it comes to love
```

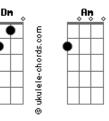

```
And even if I always end up crying
Well, you can't blame a girl for trying ohh ohh
                                                    ohh ohh
No, you can't blame a girl for trying
             Em
And I think sometimes I tend to be my own worst enemy
And maybe someday I'm gonna catch a shooting star falling out
Do what I do
And just as I'm giving up, my heart is palpitating
Here comes another one and I'm so intoxicated
Being where I've been I know that in the end
I'll do it all again
'Cause I'm young and I'm dumb
I do stupid things when it comes to love
And even if I always end up crying
Well, love will find me, there ain't no denying
That you_can't blame a girl for trying
No, you can't blame a girl for trying
```
