

Sabrina Carpenter - ??Cindy Lou Who

tom:

[Primeira Parte]

I saw you laughin' in one of
His pictures
Bet you'll be the one with his
Ring on your finger
There's red and green
Everywhere, but I'm so Blue
Cindy Lou, who?
Maybe he met you somewhere in The desert
While he was soul searchin', he Found someone better
Guess you make him happy like I Couldn't do
Cindy Lou, who?

[Refrão]

Ooh-oh
With your hair so long, lips so Red
Ooh-oh
Maybe we met once, I forget
Ooh-oh
Scrollin' five y?ars back, I'm Obsessed

Breakin' my h?art, 'tis the
Season, I guess
(C Em F C)

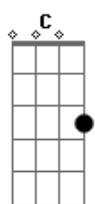

[Refrão]

Ooh-oh
With your hair so long, lips so Red
Ooh-oh
If you're wakin' up now in his Old bed
Ooh-oh
At his family's house, know You're just
Breakin' my heart, 'tis the
Season, I guess

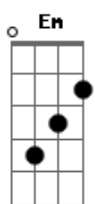

[Segunda Parte]

The snow's gonna fall and the Tree's gonna glisten
And I'm gonna puke at the Thought of you kissin'
The boy who I love is now in Love with you
Cindy Lou, who?
Told all my friends, they said
"It can't be true"
Cindy Lou, who?
