

Sabrina Carpenter - Feels Like Loneliness

Tom: A

m

You're not asking for much, but It just seems like a lot and

Kinda confused, don?t know what to choose

But baby, It's hard for me I'm not ready your for love

I'm keepin' my goal, but I don?t mean to tease ya

You're down on your knees you're beggin' me please

But, darling, its not the way to get me, babe no, no

Woo-ooh, scared didn?t mean to make you love me

Woo-ooh, scared didn?t mean to make you love me

Didn't mean to be charming such a beautiful darling

I didn?t wanna make you think we can be a thing and I give you everything, love

Love feels like loneliness love feels like loneliness sometimes

And that's just the way it is love feels like loneliness sometimes

We can?t get the timing because I was running

Am

But now I want you, and you always knew so

Baby, you pull away and make me wait for you

So, screw all that love-ish I think that I?ve had it

The more you turn your back, then I want you back

Cause this is the last time I'll played this game always the same, and I'm through

Woo-ooh, scared didn?t mean to make you love me

Woo-ooh, scared didn?t mean to make you love me

Didn't mean to be charming such a beautiful darling

I didn?t wanna make you think we can be a thing and I give you everything, love

Love feels like loneliness love feels like loneliness sometimes

And that's just the way it is love feels like loneliness sometimes

Times, sometimes sometimes, times

Times, sometimes sometimes, times

Love feels like loneliness sometimes
