Sabrina Carpenter - Go Go Juice

```
                    tom:
                  Gm (forma dos acordes no tom de Em )
Capostraste na 3ª casa

         Em                                         C
Love when happy hour comes at ten AM o'clock on a Tuesday
                                             Bm
Guess a broken heart doesn't care that I just woke up
Em                                    A7
Got a soft spot for a bev and a boy that's fruity

Can't lie, whole week's been tough
     D
No party invitations, not going to the club

G
I'm just drinking to call someone
G7
Ain't nobody safe when I'm a little bit drunk
C                         Am
Could be John or Larry, gosh, who's to say?
         C                         D
Or the one that rhymes with villain if I'm feeling that way
         G
Oh, I'm just drinking to call someone
       G7
A girl who knows her liquor is a girl who's been dumped
C                         Am
Sippin' on my go go juice, I can't be blamed
         D                         Em
Some good old-fashioned fun sure numbs the pain

Ring, ring, ring, yeah, it's super
Am7
Important (how many shots in an ounce?)
   C7M
I might have double vision, but that is irrelevant
Bm7
Right now (answer me, baby, um, are you in town?)
     Em
I miss you and I think about you every minute
   A7
If you're still disinterested in me, well, fuck
       D
Just trying different numbers, didn't think that you'd pick up

G
I'm just drinking to call someone
G7
Ain't nobody safe when I'm a little bit drunk
C                         Am
```

```
Could be John or Larry, gosh, who's to say?
         C                         D
Or the one that rhymes with villain if I'm feeling that way
         G
Oh, I'm just drinking to call someone
       G7
A girl who knows her liquor is a girl who's been dumped
C                         Am
Sippin' on my go-go juice, I can't be blamed
         D                    G      G7 C Am7 D
Some good old-fashioned fun sure numbs the pain

G
Ba-da-da, da-da-da, da-da-da-da
G7
Ba-da-da, da-da-da
                              C
How's you's been? What's up?
                    Am7
Ba-da-da, da-da-da, da-da-da-da
C                         D
Bye, it's me, how's mm-call, do you me still love?

G
Ba-da-da, da-da-da, da-da-da-da
G7
Ba-da-da, da-da-da
Shoulda we hooks up?
C                    Am7
Ba-da-da, da-da-da, da-da-da-da
                              D
Bye, it's me, how's mm-call, do you me still love?

G
I'm just drinking to call someone
G7
Ain't nobody safe when I'm a little bit drunk
G                         Am
Could be John or Larry, gosh, who's to say?
         C                         D
Or the one that rhymes with villain if I'm feeling that way
         G
Oh, I'm just drinking to call someone
       G7
A girl who knows her liquor is a

Girl who's been dumped (who's been dumped)
   C                         Am
Sipping on my go-go juice (oh-oh), i can't be blamed
         D                    G
Some good old-fashioned fun sure numbs the pain
```
