

Sabrina Carpenter - Read your Mind

tom:
Bb (forma dos acordes no tom de A)

Capostrate na 1ª casa

Intro: Dm D

Ah, ah-ah

Ah-ah, ah-ah

Ah, ah-ah

Ah, ah, ah

[Primera Parte]

Made it clear when you told me (Ah-ah)

Don't know why, but you gotta be lonely (Ah-ah-ah)

Say it's hard, but you make it look easy (Ah-ah)

So I'm trying to live a reality (Ah-ah, ah-ah)

[Pré-Refrão]

Decompressin', tryna ease the tension

But you got me stressin'

Feelin' like I need to go

And you sneak up on me

Tell me that you miss me in your life

[Refrão]

I can't read your mind

You say that you need to be alone

But night and day

Want me at your beck and call, you'll say

You know that you might be crossin' the line

Wastin' all our time

To think that we could be casual

You're not my friend

And baby you never were

Why the fuss?

If you say you just wanna be mine

I can't read your mind

[Segunda Parte]

Tell me what's gonna happen

When it's you and me in a room

But you know you can't have it?

Oh, I'll be laughing

When you say that you really have changed

Finally found your way

'Cause I'm close to your face

(Ah, ah, ah, ah, ah-ah)

[Pré-Refrão]

Double checkin'

Did I get the message

In the way you intended?

Got me second guessing when you

Sneak up on me

Tell me that you need me in your life

[Refrão]

I can't read your mind

You say that you need to be alone

But night and day

Want me at your beck and call, you'll say

You know that you might be crossin' the line

Wastin' all our time

To think that we could be casual

You're not my friend

And baby you never were

Why the fuss?

If you say you just wanna be mine

I can't read your mind

[Ponte]

You say that you need to be alone

But night and day

Want me at your beck and call, you'll say

You know that you might be crossin' the line

[Refrão]

I can't read your mind

You say that you need to be alone

But night and day

Want me at your beck and call, you'll say

(Want me, you can call)

You know that you might be crossin' the line

Wastin' all our time (Time)

To think (Think) that we could be casual

You're not (You're not) my friend (My friend)

And baby you never were

Why (Why?) the fuss? (The fuss)

If you say you just wanna be mine
