

Sabrina Carpenter - Sue Me

```
Intro: Ebm Db B Abm Db
Remember when you said it, there's no second chance?
Oh, baby, I heard you been hoping you could change the past
You miss the long goodnights
You miss the long goodbyes, you miss the long goodnights
(Yep, yep, yep, yep, yep)
Well did you ever think that it was hard for me?
                                Db7
        Ebm
Do I get off like nothing happened, nonchalantly?
I got you feeling like, I got you feeling right
I got you feeling like
(Yep, yep, yep, yep, yep)
That's my shape, I made the shadow
                 Db7
That's my name, don't wear it out though
Feeling myself can't be illegal, illegal
           Bbm
So sue me for looking too pretty tonight
           Db7
Wearing your favorite color under the lights
For moving on, doing everything right
So sue me for being good friends with your friends \bar{}
          Db7
And running into you the place that we met
For being something you can't forget
Db Gb Bbm Ebm
So sue me
It's hard to see me on when you've been off as hell
             Ebm
