**E**

I know you'll help us When you're **Dbm**

Feeling better and we realise **A**

That it might not be for a long, long time **E**

But we're we leave the wheigth on you **Dbm**

We believe in everything that you can do **A**

If you could only lay down your mind

**E A E**

I ??want you to try to help yourself

**E Dbm**

Take the time to take apart. Each brick that sits outside your heart

**A E**

And look around you. There's people everywhere **Dbm**

No they don't always show. They're just as scared **A E**

And we'd be more prepared If we pulled on through

**E A E**

I ??want you to try to help yourself

**Dbm**

Oceans of water underneath our feet

**E**

Terrible design

**Dbm**

Dusty rooms you cannot sweep

**B**

Clouding up your mind

**E**

I know you'll help us When you're **Dbm**

Feeling better and we realise **A**

That it might not be for a long, long time **E**

But we, we lend the weight on you **Dbm**

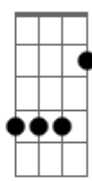

We believe in everything that you can do **A**

If you could only lay down your mind **E A E**

I ??want you to try to help yourself
