Sade - Every Word

Tom: C

   Chords used:

A Am G F
   5   0   3   1
   5   1   3   1
   6   2   4   2
   9   2   7   5
   7   0   5   3
   5   0   3   1
Intro:

Verse:

repeat the chords used in the intro

Chorus:

F G Am

Thats about it, If you`re lazy or your fingers are simply too short, you can play the
regular chords too but it doesn`t sound as good, especially the picking part.
Another trick is to tune your guitar 2 steps down for example and then play with capo on the
second fret, its easier on the higher ones.

Acordes

C   A   Am   G   F
