 He told me sweet lies of sweet loves

 Heavy with the burden of the truth

 And he spoke of his dreams

Broken by the burden

**Fm**  
 Broken by the burden of his youth

 "I couldn't look into the sun  
**Cm** **Fm**  
 She saw him laying at the end of my gun"

[Chorus]

## Acordes

**Ebm**  
 Hungry for life  
**Gm7** **Ebm** **Ab**  
 And thirsty for the distant river

**Ebm**  
 I remember his hands

**Gm7**  
 And the way the mountains looked  
**Ebm** **Ab**  
 The light shot diamonds from his eyes

**Ebm**  
 Hungry for life  
**Gm7** **Ebm** **Ab**  
 And thirsty for the distant river

[Break/Solo 3]

**Cm** - **Fm** x6

[Outro]

**Ebm**  
 Like the scar of age  
**Gm7**  
 Written all over my face

**Ebm** **Ab**  
 The war is still raging inside of me  
**Ebm**  
 I still feel the chill

**Gm7**  
 As I reveal my shame to you

**Ebm** **Ab**  
 I wear it like a tattoo

**Ebm** **Ab**  
 I wear it like a tattoo

**Ebm** **Ab**  
 I wear it like a tattoo
