Tom: **D**

Em, **D** (4x)

**Em** **D**  
When am I gonna make a living?  
**Em** **D**  
It's gonna take a while before I give in.  
**Em** **D**  
See the people fussing and theiving.  
**Em** **D**  
While the sharks are wheeling and dealing.  
  
**Em** **D**  
Gotta look up and tell yourself, there's no end to what you  
can do.  
**Em** **D**  
They'll waste your body and soul if you allow them to.  
**Em** **D**  
This is time to start believing in yourself.  
**Em** **D**  
Put the blame on no-one else.

**Em** **D**  
When am I gonna make a living?

**Em** **D**  
"we're hungry for a life we can't afford."  
**Em** **D**
