

# sadeyes - Butterfly Tattoo

tom:  
 [Refrão]  
 She's got long brown hair and a butterfly tattoo  
 And she's a little lost  
 But she's been through a lot since last June  
 She's got a nicotine addiction and she says she's  
 Gonna quit soon  
 And I don't wanna talk  
 Cause I'm a little lost just like you  
 [Primeira Parte]  
 She's got the whole world  
 In the palm of her hand  
 She likes to talk about the drama  
 Like I'm part of the plan  
 She'll play a song, wow  
 You're really a fan  
 Now I can't even fucking listen to my favorite band

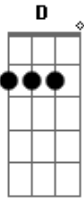

[Segunda Parte]

She likes to dance real slow all alone in her room  
 She feels a shade so grey its apart of the moon  
 She dyed her hair jet black, mysterious move  
 So when the sky gets dark I'm always thinkin of you

 Pretty and jaded, who hurt you  
 Anxious and faded yeah girl me too
