

Sadie Sink - Rambling Down The Road

tom:

When the sun done rise in them purple

Mountain skies

Well, it's time to find the life

Waiting for me

I will comfort the disturbed and

Disturb the comfortable

On these six strings, I'll sing my

Destiny

As I ramble like my father

Just like his father's father

And I'll walk this world and wander

I ramble like my daddy down this road

Oh, Lord, I'm ramblin' like my daddy

Down this road

Like a Galloway I roam, and the world

Is now my home

With a song, every stranger is a friend

And the Earth becomes my pilla?

Just me and my Weepin' Willa

We'll play together 'til the very end

As I ramble like my father

Just like his father's father

And I'll walk this world and wonder

I'll ramble like my daddy down this

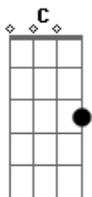

Road

Oh, Lord, I'll be ramblin' like my

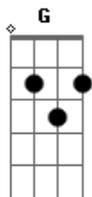

Daddy down the road
