Roses
[Primeira Parte]
                                                               I walked in the corner with the body screaming dolo
                                                               Never sold a bag but look like Pablo in a photo
I walked in the corner with the body screaming dolo
                                                               This gon' make 'em feel the way like Tony killed Manolo
Never sold a bag but look like Pablo in a photo
                                                               You already know though, you already know though
This gon' make 'em feel the way like Tony killed Manolo
                                                               I walk in the corner with the money, on my finger
You already know though, you already know though
                                                               She might get it poppin', I might wife her for the winter
I walk in the corner with the money, on my finger
                                                               I already know, already know, nigga roses
She might get it poppin', I might wife her for the winter
I already know, already know, nigga roses
                                                               All I need is roses turn up baby, turn up when I turn it on
                                                               [Refrão]
All I need is roses turn up baby, turn up when I turn it on
