Saint PHNX - Sorry

Tom: G

```
                     Gm                        Eb
Look at my eyes but I turn away
               Bb
Yeah, I was a slave to the hands of fate
           Gm                      Eb
Like I'm on trial just to clear my name
         Bb
Easier to run but I gotta stay
```

```
               Gm
This is gonna haunt me
Eb                Bb
Until the day I die
                Gm
Put it all on me
Eb                Bb
Never wanna live a lie
```

```
    Gm
I'm sorry
      Eb            Bb
Didn't mean to let you go
              Gm
If I'm being honest
         Eb              Bb
It was the hardest thing I've ever known
        Gm           Eb
And I'm sat here by myself
Bb
Feels like I'm going through hell
    Gm      Eb
I'm sorry
    Bb
So sorry
```

```
             Gm                    Eb
Maybe it was you who was in the way
             Bb
I was just praying for a better day
           Gm
They say time will always
Eb                Bb
Take away the pain
```

```
                 Gm
This is gonna haunt me

Until the day I die
